2020-21 NLC CORPORATE PLAN DEFERRED

The Northern Land Council has deferred the publication of the 2020-21 Corporate Plan in accordance with the PGPA Rule.

The NLC responded swiftly to the threat of COVID-19 with senior management and NLC resources allocated to timely tasks that sought to protect remote communities.

As staff could not travel due to COVID-19 permit restrictions, meetings outside of Darwin were either cancelled or delayed. This occurred at a time when resources would have been focused on the corporate planning process.

The NLC will publish the 2020-21 Corporate Plan by 31 January 2021.
